

**ZutaCore** is looking for new talent to join the Operations team. **ZutaCore** is a fast-growing, well-funded private company that develops waterless, direct-on-chip, two-phase liquid cooling systems for the booming data center market. We work with an ecosystem of leaders across the global data center value chain to enable a sustainable digital transformation.

We invite you to join our purpose-driven culture. A culture of passion and optimism. A culture of caring about our customers and each other.

- We are bound by a shared vision and a strong culture
- We are committed to the highest quality standards for all our products and services
- We consistently provide the best service in our industry
- We believe everything is possible
- We play as one, and we are all a part of a winning team
- We take action and responsibility
