

ZutaCore is looking for a talented, ambitious team-player, to join our SW team. We are a fast-growing, well-funded, private company that develops waterless, direct-on-chip, two-phase liquid cooling systems for the soaring data center market (and beyond). We are working with an ecosystem consisting of some of the world's leading brands in the data center value chain, enabling them to reach a more sustainable digital transformation.

We invite you to join our purpose-driven culture of passion, optimism, and caring about our customers and each other.

- We are bound by a shared vision
- We are committed to the highest quality standards for all of our products and services
- We consistently providing the best service and support to our customers
- We believe anything is possible
- We play as one, and we are all a part of a winning team
- We act fast, and believe in accountability
